

# WOMEN IN LEADERSHIP

## Alexandra Berg

Join us for the upcoming roundtable session, which will focus on:

- How to transform your world by changing within first
- Common inner glass ceilings holding women back
- Empowering yourself by allowing the feminine to flow

Alexandra is an Inspirational Speaker, Leadership Consultant, and Facilitator. Her passion is to create heart-to-heart connection and meaningful conversations, unleashing authenticity and full potential of people and organizations. Following the teachings of Lovisa Alsén and Claire Zammit, she's been exploring the feminine, believing that the only way to change the world is from within. Alexandra holds a MSc from Stockholm School of Economics, (Sweden), and has a background in various leadership positions and management consulting.

“

Thank you, the session was an eye opener for me about rediscovering who I am.
